

DILATHMA KEMDINI

122, Balagala road, Hendala, Wattala · 0763600833

Dilsw2511@gmail.com

A motivated college student with a strong interest in technology and software. Known for being a fast learner, particularly in coding and complex algorithms, and staying updated on recent technological developments. Demonstrates proven dedication and a passion for continuous learning, effectively tackling project challenges as a team player

EXPERIENCE

2024-FEBRUARY- AUGUST

DATA ENTRY, GLOBAL VISION LANKA COLOMBO

EDUCATION

2012-2023

SECONDARY SCHOOL, GOOD SHEPHERD BMV

OL results 7As, 1B, 1C

2023-SEPTEMBER

CERTIFICATE IN SOFTWARE ENGINEERING, NATIONAL INSTITUTE OF BUSINESS

2024-DECEMBER

DIPLOMA IN SOFTWARE ENGINEERING, NATIONAL INSTITUTE OF BUSINESS MANAGEMENT

Successfully completed a comprehensive program covering key areas of computer science, programming, and software development, including object-oriented programming, database management, and operating systems. Gained hands-on experience by developing a diploma-level software solution for a timber shop, addressing real-world business challenges and enhancing operational efficiency.

2025-PRESRNT

UNDERGRADUATE, NATIONAL INSTITUTE OF BUSINESS MANAGEMENT

HIGHER NATIONAL DIPLOMA IN SOFTWARE ENGINEERING (HNDSE)

Completed a comprehensive program covering software development, data management, and emerging technologies. I gained expertise in enterprise applications, mobile development, machine learning, IoT, and business intelligence. Applied skills in a final project, developing software solutions for a timber shop to enhance operational efficiency.

2025-PRESRNT

TRAINEE-FULL STACK DEVELOPER, OPEN LEARNING PLATFORM - UOM

- Completed courses in **Python Web Development**, covering both front-end and back-end development, with a focus on building dynamic and responsive web applications.
- Gained expertise in **Full-Stack Software Engineering**, including integrating front-end frameworks, back-end servers, and databases to create robust, scalable solutions.

2025-JANUARY-12

ETHICAL HACKING WORKSHOP, EXTRAORDINARY THINKERS PVT LTD

Completed a workshop of 6 hours about cybersecurity and related attacks.

SKILLS

- Communication Skills
- Leadership Skills
- Teamwork
- Critical Thinking
- Creative Thinking

PROJECTS

- Final Project for Diploma -NIBM
Timber Store Management System

Developed a Timber Store Management System as the final project for the Diploma in Software Engineering. The system streamlined inventory management, sales tracking, and customer records, improving efficiency and accuracy. Built using HTML, CSS, and JavaScript for the frontend, PHP for the backend, and SQL Server Management Studio (SSMS) for the database, it provided a practical solution for a real business.
